

Suntree United Methodist School
In-House Registration
2024-2025 School Year

The first of our two-part registration process is beginning at Suntree United Methodist School. If you would like your child(ren) to attend SUMS or the SUMC Tiny Two Program for the 2024-2025 school year, you must complete and turn in one of the attached preregistration forms to your child's teacher(s) or the SUMS Office no later than Friday, February 9, 2024. We will use the attached pre-registration forms to determine your class choice and to prepare our initial class lists for the next school year.

If you pre-register for the 2024-2025 school year, you will receive an envelope back through your child's Communication Folder with a checklist for Final Registration. Please return this envelope in your child's Communication Folder with your completed Final Registration checklist, documents, and necessary fees by Friday, March 1, 2024. The first month of tuition is not due until August, when school begins.

Final Registration paperwork will be available to print on our website on February 16th.
